WITNESS TO THE RESURRECTION

The Resurrection is the doctrine of the Christian faith and shapes Christians’ attitudes and responses in the event of death. Death brings loss, sorrow, and grief to all. In the face of death, Christians affirm with tears and joy the hope of the Resurrection. Christians do not bear bereavement in isolation but are sustained by the power of the Holy Spirit and the community of faith. The Service of Witness to the Resurrection is an affirmation of faith in God’s love for all people, a love that strengthens and supports even in the midst of grief. In this service we bear witness to the sure and certain hope of eternal life, promised in the resurrection of Jesus Christ.
